The Photobook Multiple
When it comes to arranging images, photographers are usually right when it comes to the design, but having a professional arrange the typesetting will make all the difference.
Firstly it should contain great work.

Firstly it should contain great work.  

Secondly, it should make that work function as a concise world within the book itself.

First passageway

unblackboxing the book
...the way scientific and technical work is made invisible by its own success. When a machine runs efficiently, when a matter of fact is settled, one need focus only on its inputs and outputs and not on its internal complexity. Thus, paradoxically, the more science and technology succeed, the more opaque and obscure they become.

The Matta-Clark Complex

Gordon Matta-Clark, Conical Intersect, 1975
When content and materials are interpreted and combined in a balanced way, the result can be greater than the sum of its parts. A transformation of the given matter through a kind of elegant alchemy, rather than cut-and-paste pastiche.
Third passageway

print it, fold it. stick it, walk it
Home Work
