‘Function First’ – Be Active, Stay Independent

The role of primary care in reducing the decline in physical function and physical activity in people with long-term conditions; what works, for whom and in what circumstances? A realist synthesis of evidence.

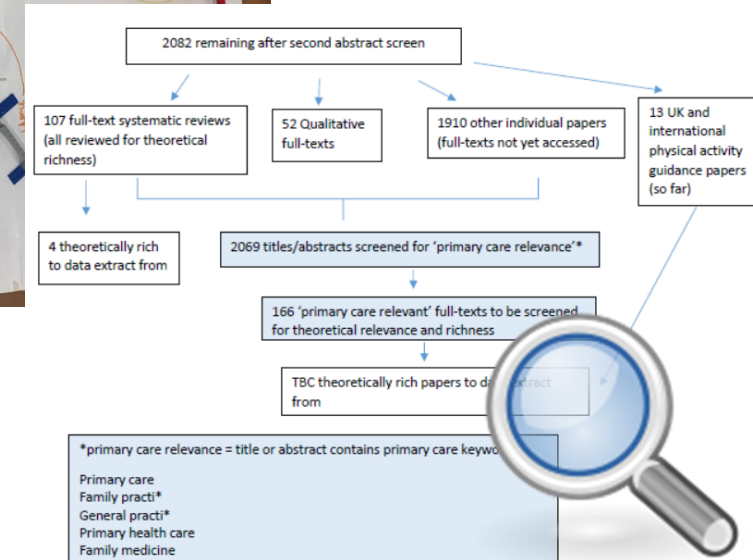

Study team: Dr Becki Law and Prof Nefyn Williams (co-Is), Prof Christopher Burton, Dr Beth Hall, Dr Julia Hiscock, Dr Joseph Langley, Prof Andrew Lemmey, Ms Candida Lovell-Smith (PPI), Prof Valerie Morrison, Dr Rebecca Partridge, Dr Lynne Williams, Mr John Gallanders (PPI)

Study funding: This project was funded by the NIHR Health Services and Delivery Research (17/45/22)
