Rental Conditions: General Rules

General Conditions
The terms and conditions of trade fair organisation and in particular the trade fair’s opening and closing dates, duration, location, and participation fees, are set by the Organiser and are subject to change at the Organiser’s initiative without giving rise to any payment claims. The Exhibitor agrees to respect and enforce the instructions set out in the Exhibitor’s Guide provided. The signatory (Exhibitor) of the exhibit space rental contract is liable to the Organiser for all consequences arising out of noncompliance with the specified cations.

Admission
Applications must be addressed to the Organiser using the valid forms together with the down payment: 50% of the total amount. Upon receipt of the application by the Organiser, the company applying for exhibit space will be deemed to have examined the trade fair rules and regulations shown on the application form and to have accepted them without reserve. Any application from a candidate who has an outstanding debt or disputed claim with the Organiser will not be taken into account. The merchandise, products, or services presented by the Exhibitor must conform to the trade fair classifications. Only applications that are duly signed by an individual deemed to have the proper authority to commit the exhibiting company and which are accompanied by the down payment as set by the Organiser will be taken into consideration. Notwithstanding payment of this first installment, the billing of it, and/or its receipt, acceptance of the applicant or his/her company is subject to appraisal. In case of refusal, the Organiser will notify the applicant or his/her company of the decision and reimburse any down payment made. Acceptance is made known by official notification from the Organiser or by the remittance of an invoice or a site map specifying the stand’s location and surface area. Once acceptance has been confirmed, the Exhibitor shall comply with subsequent procedures until the trade fair opens.

Terms of Payment
Participation fees will be paid in two installments. A down payment of 50% of the total amount, of which is specified in the schedule of fees, will be sent by the Exhibitor to the Organiser along with the application. If the down payment is not included, the application will not be taken into consideration and no claims may be made regarding the absence of available space. An invoice in the amount of the down payment will be mailed to the Exhibitor. The balance on the participation fee invoice (penalty of € 4.00, and legal monthly rate of 1.5%) will be due no later than 8 weeks before the opening of the Event, without discount for prepayment or cash payment. In the event that the Exhibitor registers less than 8 weeks before the Event – 10 January, 2014, the fees must be paid in full along with the application. All amounts must be paid when due. Failure to do so will be subject to late payment charges (penalty of € 4.00, and legal monthly rate of interest: 1.5%). These will begin to accrue as soon as the Exhibitor has been officially notified.

Withdrawal
Signing the application for participation constitutes a firm commitment. If the Exhibitor wishes to withdraw, he/she must notify the Organiser by registered letter with acknowledgement of receipt. If the withdrawal occurs on or before 13 September, 2013, the Exhibitor forfeits the down payment as a compensation fee. In case the down payment is still due, it must accompany the letter of withdrawal. If the withdrawal occurs on or after 14 September, 2013, 100% of the amount of the participation fees or of the invoice is due as a compensation fee, even if the Organiser is able to rent out the initially reserved space again. This is equally applicable if the Exhibitor has not taken possession of his/her space the evening before the opening of the trade fair. Any subsequent decrease in surface area will be considered as a cancellation for the subtracted surface area and subject to the penalties provided for thereof.

Allocation of Space
The Organiser is free to manage the allocation of stand space as and when admission is granted, taking Exhibitor requirements and the nature of the exhibited products into consideration to the extent that it is possible. The Organiser reserves the right to alter the size and layout of the space rented by the Exhibitor, as he sees fit. The fact that an exhibitor has participated in previous Shows in no way constitutes a right to a specific location for that exhibitor. The Exhibitor will be notified of stand space allocation within a reasonable time before the Event, in the form of a map. Any claims relating to the stand space assigned to the Exhibitor will be taken into consideration only if they are addressed to the Organiser in writing within fifteen days after the map has been mailed. Claims must be motivated by real and serious reasons. The Organiser will make all due efforts to satisfy justifiable requests for change in location. After the fifteen-day time limit, the Exhibitor will be assumed to have accepted the assigned location.

Sub-letting / Co-Exhibitor
Subject to prior and written authorisation from the Organiser, the Exhibitor may not assign or sub-let the space that is allocated to him/her, notably in return for payment. However, exhibitors may perform as a group, subject to Organiser approval. Acceptance of a co-exhibitor or indirect exhibitor requires additional registration. A co-exhibitor or indirect exhibitor is a company that manifests its presence at the stand of another company through a listing, an object, or literature. Any co-exhibitor, whether an indirect exhibitor or member of a pavilion, will be deemed to have examined and accepted the rules and regulations for the trade fair.

Insurance
Insurance is obligatory for all exhibitors. The Organiser holds an insurance policy that covers any merchandise, material, or stand furnishings and decorations belonging to the Exhibitor for any loss or damages due to theft, fire, lightning, explosion, or water damage, and for total or partial accidental destruction during the Event while these objects are in their assigned places. The main terms and conditions of the policy are shown on the insurance form in the Exhibitor’s Guide.

Cancellation of the Event
Should it be impossible to make use of the necessary premises, or should fire, war, public disaster, or any other act of God make it impossible for the trade fair to be held, the Organiser reserves the right to cancel location requests at any time by sending written notification to exhibitors, who may claim no right to set-off whatever the reasons for such a determination. Any amounts available after payment of all expenses incurred are to be divided among exhibitors as a pro rata of the amounts paid; however, it is expressly agreed that the Exhibitor may not exercise a remedy on any account against the Organiser.

Organiser Liability
The Organiser shall in no event be liable for any loss or damage that might be suffered by exhibitors (including interference with peaceful possession and any business loss) for any reason whatsoever.

Exhibitor’s Guide
All details on Exhibitor participation in the trade fair are provided in the Exhibitor’s Guide, which can be downloaded online after stand location validation. The Guide includes the order slips for electricity, water, invitations, insurance, safety procedures, and customs, among others; instructions for arranging the stands; and a number of useful addresses.

Catalogue
All associations, companies, brand names, and materials must be duly declared and entered into the catalogue in order to be exhibited and presented to the public. The Organiser reserves the right to refuse to allow any association, company, brand name, or material that has not been duly declared and entered in the catalogue to be exhibited. The Organiser has the exclusive right to publish the exhibition catalogue or to have it published and distributed. The Exhibitor will provide the necessary information to the catalogue’s editorial staff at his/her own liability. The Organiser may on no account be held liable for omission, reproduction errors, mistranslations, or any other errors that may occur, and reserves the right to make changes or to group certain entries as it sees fit.

Shooting
The Exhibitor specifically authorises the Organiser, free of charge, to photograph and/or film the Exhibitor, the Exhibitor’s team, and the products exhibited at the Exhibitor’s stand, utilise these images in any medium, notably for advertising, in France and abroad for an unrestricted period of time.

VAT
All exhibitors are subject to the VAT, regardless of their nationality. Foreign exhibitors may be reimbursed for the VAT in the following conditions:
- European Union member countries: the Exhibitor must file a request with the Direction Générale des Impôts (French tax authorities),
- Non-European Union countries: the Exhibitor must imperatively designate a tax representative in France to carry out these formalities.

Unfair Competition
Throughout the entire Event, the Exhibitor specifically shall refrain from engaging in unfair competition and/or any unsatisfactory conduct that might result in the enticement of the Show’s visitors to the benefit of the Exhibitor and to the detriment of the Organiser.

Claims / Disputes
Any claim must be sent by registered letter with acknowledgement of receipt within ten days after the end of the Event. In case of dispute, only the French text shall have probative force and only the Paris Courts of Law shall have jurisdiction.
