Dear Jake,

I am pleased to email to confirm your paper, "'It's relentless": the impact of working primarily with high risk offenders.", has been accepted for publication. The paper has been passed to our publishers Sage to be included in June 2016 edition, Transforming Rehabilitation: Reflections two years on. It is shaping up to be an exciting edition and your paper being published alongside a variety of other short pieces.

Sage will be in touch with proofs for checking in due course. Once the initial proofs are checked the paper will be published on-line ahead of publication of the hard copy of the Journal being produced.

Thanks again for your submission and taking the time to deal with the amendments, and in particular working with our tight deadlines for this issue. We have really appreciated it.

Best wishes

Emma
