 A replacement Fig. 6 to the paper by Ibberson *et al.* (2008), *Acta Cryst. B64*, 573–582 is given.

 Parts (b)–(f) of Fig. 6 in the article by Ibberson *et al.* (2008), *Acta Cryst. B64*, 573–582 are actually duplicates of Fig. 6(a). The correct figure is given here.
