Recovery-based staff training intervention within mental health rehabilitation units: A two-stage analysis using realistic evaluation principles and framework approach Sadiq Bhanbhro, MPH., MScPH., MSc.; Melanie Gee; Sarah Cook; Louise Marston; Melanie Lean; Helen Killaspy BMC Psychiatry

Dear Mr Bhanbhro,

I am pleased to inform you that your manuscript ""Recovery-based staff training intervention within mental health rehabilitation units: A two-stage analysis using realistic evaluation principles and framework approach"" (BPSY-D-16-00177R2) has been accepted for publication in BMC Psychiatry.

If any final comments have been submitted from our reviewers or editors, these can be found at the foot of this email for your consideration.

Before publication, our production team will also check the format of your manuscript to ensure that it conforms to the standards of the journal. They will be in touch shortly to request any necessary changes, or to confirm that none are needed.

Please do not hesitate to contact us if you have any questions regarding your manuscript and I hope that you will consider BMC Psychiatry again in the future.

Best wishes,

Rosemary Philpott
