## First Intervention Visit: Worksheet

Participa					
interver	ntionist name: Time:				
	t visit Motivation rating (from COM-BBQ): t visit Confidence rating (from COM-BBQ):				
1.	I have turned on the Dictaphone				
2.	Are there prescription changes needed Yes $\square$ No $\square$ These are:				
3.	3. Complete the online consent form with the participant $\Box$				
4.	Briefly Introduce CFHealthHub  Encourage participant				
	Check My progress   Settings   to navigate				
	CFHH App for smartphones   Novigetion ber (for right)				
	Navigation bar (top right)				
	Personalisation settings:				
	Wallpaper explained $\ \Box$				
	Notifications				
	Rewards messages   Date the ring allowed   Con This is tallowed to				
	Data sharing allowed   Say: This is tailored content,  specifically designed for you based  on your prescription and the				
5.	Ask participant to navigate to My Toolkit and discuss   answers that you gave to the				
	Show:  questionnaire				
	My Treatment modules $\square$ Treatment video(s) $\square$				
	Say: When you completed the questionnaires about the study you				
6.	were asked to agree or disagree with the statement:  Discuss Motivation rating   'I want to do all of my prescribed nebuliser treatment in the next 4				
0.	Usee top of page 1 of worksheet)  'I want to do all of my prescribed nebuliser treatment in the next 4  weeks'. (see motivation rating above)  Why did you want to do your treatment that much?				
	Key reasons for motivation given were:				
	Reflect and reinforce reasons   Say: So you want to do your treatment because				
	You're absolutely right doing your				

treatment will....

7. Show a	dherence graphs or charts, orientation	n to display and functions.	
	Graphs:  Default □  Target line □  Hover for times □	Date slider □ Traffic light colour sche	eme 🗆
	<b>Tables:</b> Weekly □ Traffic light colour scheme □	Absolute values □	Any treatment is a success: focus on the positives
8. Review	adherence and focus on successes	Yes □ N/A□	Saw What haland you to take your
	Key factors resulting in success were		Say: What helped you to take your treatment? or: What was different about this day when you took your treatment
9. Ask abo	out their nebuliser treatment on one (		Say: Tell me about your treatments on [Tuesday] - what did you take, when and in what order?
10. Ask ab	out factors affecting non-adherence	Yes □ N/A□ • • C	Look for a time when less treatment than normal was taken
	Key factors affecting non-adherence	were:	Say: What got in the way of you taking your treatment? or: What was challenging this day when you did not take [all of] your treatment
11. Is motivatio	on too low to continue? No Go to No/low intention to take treatment Shuts down/not bothered Other:	☐ Identified from	ssion referred to PI \( \triangle \frac{1}{2017}
			Select one of these reasons and Go to part 15

12. a	) Support pa	rticipaı	nt to make ac	ction pla	n(s).		The participant should type their own plan(s) into the Action planning tool	
Υ	es 🗆		nt is the cue ( ne <i>if then</i> plan	- 1				
N	lo 🗆	Beca	ause:					
b) Support participant to set personal target goal Yes   Ideal no. of treatments =								
Α	greed goal is		%	0			Planned no. of treatments =	
V	Vhich drugs o	lo thes	e planned tr	eatment	s relate to:		Planned treatments/Ideal treatments =	
Г	Drug		Ideal numbe	r of	Planned numbe	er C	Multiply by 100 =	
	2.00		treatments		of treatments			
-								
							The participant should	
							The participant should type their own coping	
							plan(s) into the tool	
13. Identify and discuss $\underline{\text{key}}$ anticipated barriers in meeting goal $\underline{\text{and}}$ identify solutions Yes $\square$ N/A $\square$								
1	Problem/Bar	rier			Solution			
	1.							
1	2.							
L.	3.							
	<b>.</b>							
						Sav: No	ow that we have set your goal at x and	
14. Discuss confidence (goal set) Yes □					come u let's ra	p with some solutions to your problems te how confident you feel that you can		
I am confident that I can achieve my target goal						achieve	e that goal?	
in the next 4 weeks								
Stro	ngly						Strongly	
disag			2		-	-	agree	
1	. 2	<u>-</u>	3	4	5	6	7	

remind about times of good danerence =	reatment when <b>or</b> You've made a plan now
Remind about tools to help $\Box$	hat could help with that problem
Go to part 16	
•	
15. Discuss confidence (no goal set) Yes ☐  Focus on relationship building	Say: When you completed the questionnaires about the study you were asked to agree or disagree with the statement: 'I am confident that I can do all of my prescribed nebuliser treatment in
You need to understand the motivational barriers to adherence. So ask open questions, listen carefully, and reflect back what is said to make sure that you understand	next 4 weeks'. You said (see rating at top of worksheet sheet)  Why were you that confident?  What might help you to feel more confident?
Did you identify additional modules that should be a Yes □ No □	dded to <b>My Toolkit</b> ?
16. Are there any suitable videos to add to the toolkit at this time.  Yes □ No □	e?  Choose videos that best match the characteristics of the participant e.g. gender, age, occupation, barriers encountered. (optional)
17. Review the session Yes $\square$	
3	Say: The most important thing is that we begin to learn how to help you with your nebuliser treatments. If this/these plans don't work, then don't worry. If that's the case then we'll work to find other plans and solutions to suit you when we meet next time.
18. Make/confirm appointment for next session Yes □	
Date and time: Location/Mode	

Say: Remember you did manage to do all of your
