

Sticker Sheet

You will be prompted to use these during the activity. These stickers will add more personal detail to the investigator cards.

There is no right or wrong choice here. The stickers you choose won't affect the investigation in any way, they are simply to introduce the wider lives of investigators.

Day job

She is an **Acute Medicine Registrar** and is new to the Trust. She has never done an investigation before.

She is a **Falls Coordinator** for the Trust who is looking to develop new skills that could help develop her career.

She is an **Orthopaedic Surgeon** who has worked in the Trust for 15 years.

She is a **Pharmacist** who has had a negative experience whilst under investigation. Based on this experience, she wants to do a good job.

Commitments

She is working on **8 other investigations at the same time** as this one.

She works in the **private sector** during evenings and weekends so can't work out of hours.

There are staff shortages in her own team so is **regularly covering extra shifts**.

She can only have **limited in-person interactions**, due to Covid-19 social distancing rules.
