What a journey it's been at Sheffield Hallam University Software Engineering
thanks to Mick Marriott SFHEA for his support, the lifelong friends and amaz
colleagues made on the way. The memories made and lessons learnt made it
worth it with these people.

I'm very grateful for everyone who made a presence in this journey and wish
the best of luck as you have wished me ♥️ ☕.

I had a great experience at the Sheffield Hallam University Careers Fair, connecting with industry professionals and exploring opportunities. It was a great opportunity as part of my search for a Computer Science placement year - looking forward to what lies ahead!
